I knew you'd find your way back to me sooner or later. Turns out you arrived just in time.
Aw, look, your bad eye is scraped. This should do until we get a real patch.
We need to.... what is it Blitz? Is something wrong?

It was horrible! There were sharks and it was dark and I couldn't find you and I kept looking and looking and I missed you so much-

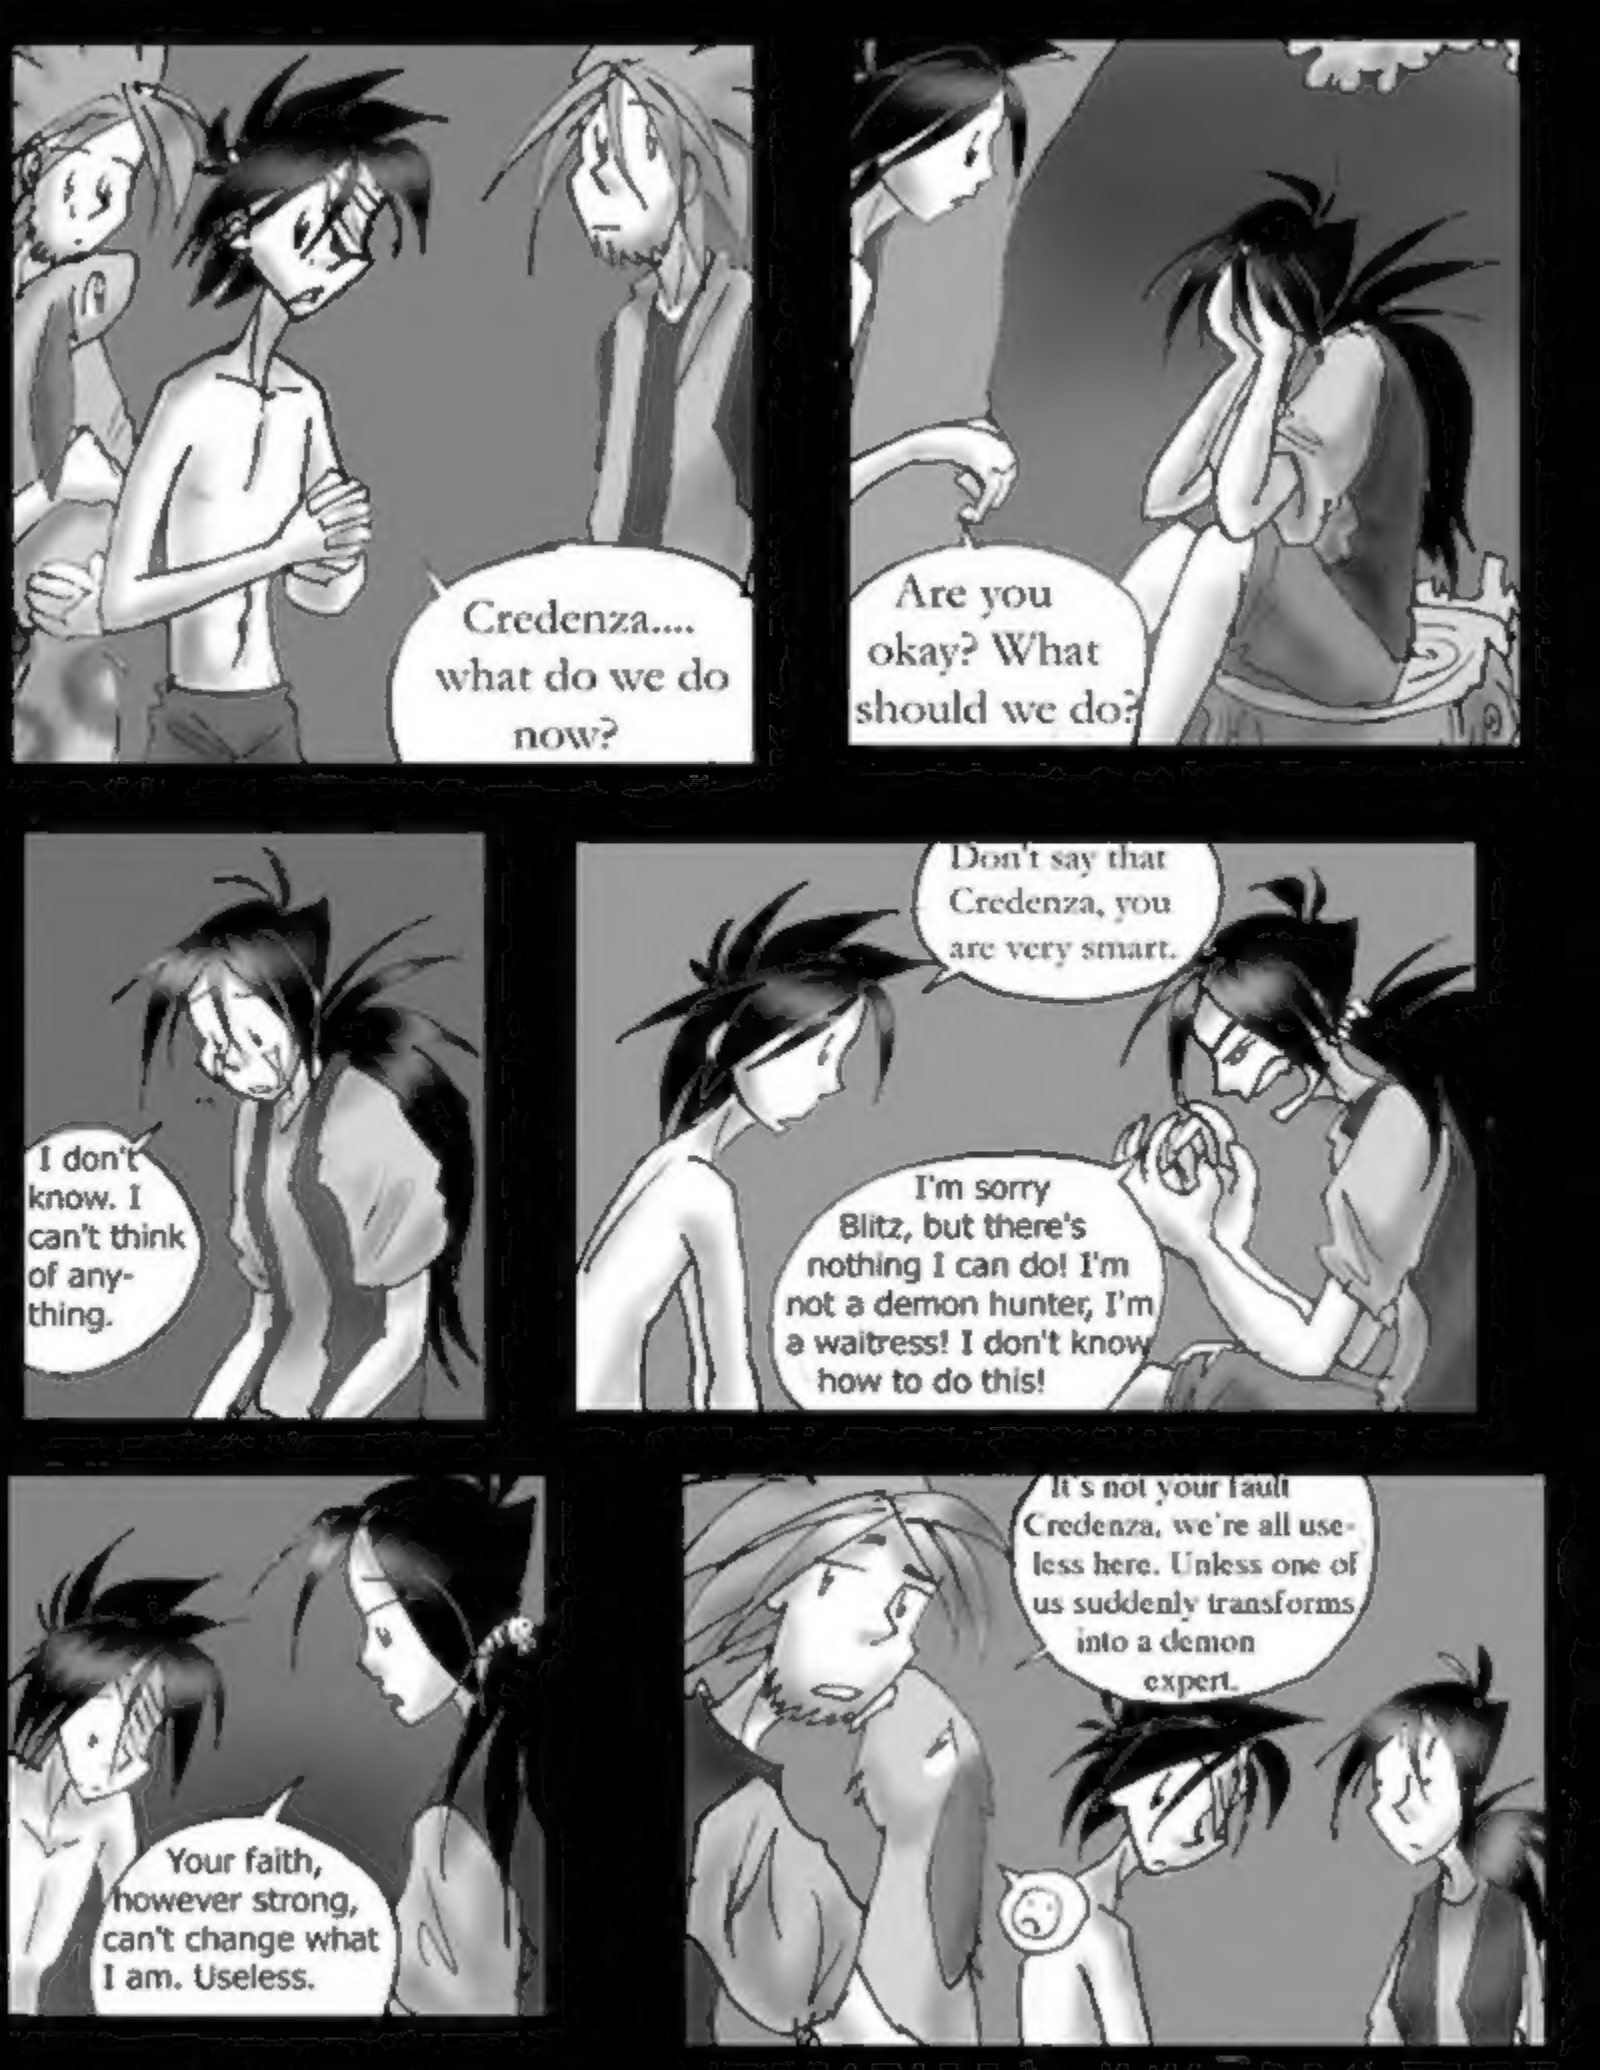
Oh Credenza, how are you going to get out of this one?



Credenza.... what do we do now?
Are you okay? What should we do?
I don't know. I can't think of anything.
Don't say that Credenza, you are very smart.
I'm sorry Blitz, but there's nothing I can do! I'm not a demon hunter, I'm a waitress! I don't know how to do this!
Your faith, however strong, can't change what I am. Useless.
It's not your fault Credenza, we're all useless here. Unless one of us suddenly transforms into a demon expert.
